# Errata for "Generation of the Maxwellian Inflow Distribution"

Alejandro L. Garcia

*Dept. Physics, San Jose State University*
*San Jose, California, USA*

and

Wolfgang Wagner

*Weierstrass Institute for Applied Analysis and Stochastics*
*Berlin, Germany*

The equation in Table 3, step 4 should read

$$E_k = \frac{1}{m(a)} \left\{ \exp(-z_k^2) + a\sqrt{\pi} \left[ 1 + \mathrm{erf}(z_k) \right] \right\} - u$$

Note that the correct expression is in Section 5 of the main text.
